

The Shining Star Enlightening Minds, Reflecting Faith

Looking for a school where your child can shine? St. Rose Philippine Duchesne Catholic School offers academic excellence in a faith-based setting. We help students in Pre-school (ages 3 & 4) through 8th grade develop their individual talents to reach their fullest potential.

Our Spirit Shines

Using our patroness, St. Philippine Duchesne as a model, St. Rose Philippine Duchesne School provides a quality education in an environment of living faith and academic excellence according to our Catholic tradition.

Our Students Shine

We strive to make sure that all students at our school feel special, secure, and loved. In addition to academics, they learn how to live Christ-centered lives with love and service to one another.

Our Teachers Shine

Our talented teachers are committed to helping each of their students reach his or her fullest potential. In partnership with parents, they work to help the students be the best they can be.

Our Families Shine

Beyond just attending the same school building, students and their families are connected with one another on campus and at church, while at work or at play. Many lasting relationships are formed among families who share the same Christ-centered values.

Our Campus Shines

Not your "typical" Catholic elementary school building, our campus tends to "WOW" those who visit for the first time. Our classrooms are secure and comfortable, with many additional features like our welcoming lobby, spacious gymnasium, outstanding library, large computer lab, student lockers, art room, music room, and much more.

Enrollment for next fall begins February 1st for returning families and those entering Pre-School or Kindergarten.

Open enrollment begins March 1st for students in all grade levels, space permitting. For a school tour or more information, contact our school office at 314-921-3023.
